Scam Awareness and Avoidance
Want to stay safe online? This session will help you recognize scams, avoid fraud and stay safe. Included: simple, practical training and an introduction to scam prevention tools.

About Jay Calvert and Cyber Smart Canada
Jay Calvert has over 25 years of experience in Information Technology and is the founder of Cyber Smart Canada. The organization's mission is "To empower seniors across Canada with the knowledge, skills and confidence needed to stay safe online through inclusive, accessible cybersecurity education."

Join us to:
- gain a better appreciation of online risks, what they are and how to protect yourself
- meet engaged people and have an opportunity to discuss issues
